

Basic Detail Report

Teapot

Date

late 19th century

Primary Maker

Artist Unknown

Medium

silver and plastic

Description

Teapot decorated in repousse and hand engraved detail with a design that is a rich overall tapestry of bamboo and cranes. The spout is in the organic form of a bamboo stalk and the lid is also extensively worked in the bamboo motif with a knop in the shape of a bamboo node. The shield for the monogram was never dedicated. The handled has been restored from the original ivory.

Dimensions

Overall: 5 5/8 × 8 1/2 × 4 1/2 in. (14.3 × 21.6 × 11.4 cm)
